Volunteer throughout the camp. Students presented the Posters and Models and explain the importance of Hygiene. From Chanderkasare village about 77 students have checked their blood group. About 134 students from Ghari village have checked the blood group. From Dauch Bk around 115 students and from Dauch Kd around 64 students have inspected the blood group and from Derde-Korhale around 152 students have examined their blood group. Overall 542 people from Z.P. Schools of all the adopted villages had been checked their blood group throughout the Blood group detection camp. Blood group detection cards were provided to respective teachers of every student. All dignitaries including Principal and teachers of Z.P. Schools encouraged the students and appreciated the event.
