As communication is key, knowing and understanding the filters and barriers that can hamper one's overall communication is a must. Participants were encouraged to practice active listening as it helps in overall communication skills. Focus was laid on the ways of how an individual communicates (spoken word, visuals, written word, body language and social media).

The resource Person also focused on Interview skills. The resource person instructed the participants on how to sit for an interview. Discussions on why interviews are important and how they are necessary in order to select the right candidate were also made. Participants were given an insight to the need to select the right candidate and assess the candidate if he/she has the skill set

required as per the needs of the organization. To understand if the candidate has the skill set to perform the requirements of the organization and from the interviewees perspective to initiate a connection with the interviewer to seek employment and enhance his/her skill sets. The resource person explained about dress code and attire, the difference between formals, semi formals and casuals. Participants were encouraged to build up their self-confidence. Videos of the mock interviews were shown to ensure that the participants learn through the kinesthetic method. Mock interviews were conducted for the participants.

Prof.Smt.S.B.Bhingardive proposed vote of thanks. Dr.G.K.Chavhan and Dr.N.T.Dhokale coordinated the event.
