Name of the Activity: Workshop on “Communication and Interview Skills for Personality Development”.

Date: 29/08/2018

Number of Participants: 130

One day workshop on “Communication and Interview Skills for Personality Development” was organised on 29th August, 2018 by the training and placement assistance cell of the college. Smt.Bhavna Nair of Alpha Educare, Ahmednagar was the resource person for the same.

Dr.S.R.Pagare welcomed the resource person and the guest of honour IQAC coordinator Prof.V.C.Thange and Librarian Prof.N.B.Shinde. Resource person was felicitated by the librarian. In the inaugural address Prof.Thange appreciated the initiative taken by the TPAC for training and bringing up overall development of the students.

The session started with the introduction on the topic and the importance of communication skills in personal and professional life. Participants were explained about the communication method and the process of effective communication, understanding the cycle of communication starting from the sender to the receiver of the message. The different levels of communication were explained and how lateral and horizontal forms of communication among colleagues, peers at the same level for information sharing and coordination helps to save time. As communication is key, knowing and understanding the filters and barriers that can hamper one's overall communication is a must. Participants were encouraged to practice active listening as it helps in overall communication skills. Focus was laid on the ways of how an individual communicates (spoken word, visuals, written word, body language and social media).

The resource Person also focused on Interview skills. The resource person instructed the participants on how to sit for an interview. Discussions on why interviews are important and how they are necessary in order to select the right candidate were also made. Participants were given an insight to the need to select the right candidate and assess the candidate if he/she has the skill set

required as per the needs of the organization. To understand if the candidate has the skill set to perform the requirements of the organization and from the interviewees perspective to initiate a connection with the interviewer to seek employment and enhance his/her skill sets. The resource person explained about dress code and attire, the difference between formals, semi formals and casuals. Participants were encouraged to build up their self-confidence. Videos of the mock interviews were shown to ensure that the participants learn through the kinesthetic method. Mock interviews were conducted for the participants.

Prof.Smt.S.B.Bhingardive proposed vote of thanks. Dr.G.K.Chavhan and Dr.N.T.Dhokale coordinated the event.
