Savitribai Phule Jayanti

(2018-2019)

Introduction:

On the occasion of birth anniversary of Savitribai Phule, that is on 3rd January 2019 Dr. Varsha Zavar commenced her address by expressing gratitude for being part of the memorial of Savitribai Phule, a pioneer in the realm of education and social reform. The speech encapsulated a blend of historical insights, personal reflections, and a call to action, captivating the attention of the audience. She began by acknowledging the enormous contributions of Savitribai Phule in challenging societal norms and advocating for the education of women and marginalized communities. The chief guest highlighted the enduring impact of Savitribai Phule's pioneering work on the educational landscape of India. She worked hard to help girls and women get an education, even when it was difficult at that time. Savitribai and her husband, Jyotiba Phule, started the first school for girls in Pune, Maharashtra, in 1848.

She also fought against things like child marriage and the idea that widows couldn't get married again. Her work made a big impact, and she is remembered as someone who broke the rules to make things fair for everyone. She passed away on March 10, 1897, but her legacy lives on, and we celebrate her for making a difference in the lives of women and society.

to me, Sumki

Dear Ma'am / Sir,

Greetings from Sanjeevani- Life Beyond Cancer.

I write to you on behalf of Sanjeevani-Life beyond Cancer, a pioneer in 'Comprehensive Cancer Care.' We are an award-winning non-profit organization working for prevention, early detection, counselling and rehabilitation of cancer and cancer patients. Our focus is on navigating them from Dis-ease to wellness.

One of our major areas of work is to spread awareness. Just to share some data, Cancer is the second leading cause of death globally and was responsible for an estimated 9.6 million deaths in 2018. There are approx. 17 lakh new reported cases in India every year. It is estimated that double that number go unreported. The scenario is alarming and worsening day by day.

Sanjeevani LBC does structured awareness camps in Schools, Colleges and Communities:

Ø Cancer – why and how

Ø Need for prevention and early detection and

Ø Healthy lifestyle habits & wellness

The awareness camps deliver this knowledge through a combination of presentations, Q&A session and a Quiz. The camp ends with a Pledge being taken by participants to take on healthy practices and share the knowledge gained through the camp.

All participants are given E Certificates for their records.

Sanjeevani does not levy any charge towards holding these camps.

Resources required from the institution for the programme to be a success -

- Timing 9am onwards
- Students (Minimum 50)
- Zoom Cloud Meeting App.
- Teachers and Parents can also be part of it

We hope you will join hands with Sanjeevani LBC in its endeavor to eradicate cancer.

Since its inception in 2012, Sanjeevani has enriched the lives of over 2, 45,000 patients across its 14 centers pan India.
