ACADEMIC YEAR: 2020-21

Name of Activity: e questioner about covid-19 awareness and identify the problems of mentees during Covid-19

Date: 11th September 2020

Number of contacted students: 175

Report: Students Mentoring Programme Cell of the Arts Faculty was conducted e questioner. Due to covid-19 situation regular meeting of mentors and mentees are not done in this academic year. So we conduct on e questioner about covid-19 awareness and identify the problems of mentees during Covid-19.

With the starting of the online classes, we decided to contact all students in order to obtain their responses on some important aspects. We have collected information from the students by asking following questions:-

1. How many students having their own Android Mobile or Laptop?
2. How many students have opened their library account?
3. How many students have filled their scholarship form?
4. How many students are using their own mobile number and email address for academic purposes?
5. How many students are joining the online classes?

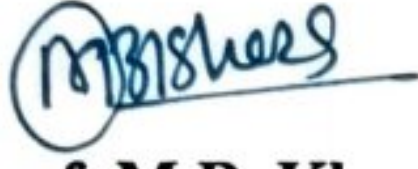

By recording the responses from the students on above questionnaire, we have reached to the following calculations and results...

Sr. No	Total Students-220		Q1	Q2	Q3	Q4	Q5
	Contacted	Out of Contact					
1	175 (79.54%)	45 (20.46%)	143 (81.71%)	14 (8%)	06 (3.42%)	144 (82.28%)	105 (60%)

Analysis:

1. Out of 175 students 143 having their own Android Mobile or Laptops.
2. Out of 175 students only 14 students opened their Library account.
3. Out of 175 students 06 students have filled their Scholarship Form.
4. Out of 175 students 144 students are using their own mobile numbers and email address for the academic purposes.
5. Out of 175 students 105 students are joining online classes.

We would like to express our gratitude towards you for accepting our invitation as a guest speaker for the activity conducted by Students-Mentoring Programme. We believe that the knowledge you have shared will immensely attributable in the development of listening and remembering ability of the students. The training you given about how to increase the ability of the brain and training to brain will definitely help students in their study and overall development of the students.

We appreciate your efforts for conducting special lecture on "Train Your Brain for Memory Development" on 26th November, 2022, 10.00 AM. We anticipate the same cooperation in future from you.

Thanking you,

Yours Sincerely,

(Dr. B.S. Yadav)

Subject: - An invitation to deliver expert lecture session for the students.

Sir,

K. J. Somaiya College Kopargaon is one of the renowned college in Ahmednagar District. For the academic and scientific skill development of our student we are planning to organize a one day webinar / Session for undergraduate and post graduate students. For this programme we request you to deliver a lecture on **"Introduction to Astrophysics and Career Opportunities in Astrophysics"** to our students. We are sure that your lecture will ignite the minds of students and will be beneficial for their development.

Kindly accept our invitation and convey your suitable dates between 18th and 22nd April, 2022 so that we can arrange it on virtual platform.

Thank you and look forward for your kind cooperation.

Report of one day webinar on “Introduction to Astrophysics and Career opportunities in Astrophysics”

(Held on 20 April 2022, Time: 10 AM)

One day webinar on “Introduction to Astrophysics and Career opportunities in Astrophysics” was organized by students mentoring program, Department of Physics and IQAC on Wednesday 20th April 2022. For this webinar Dr. Vikram Khaire who is working as DST-INSPIRE faculty at Indian Institute of space science and technology, Thiruvanthapuram kerala was invited as resource person. Program started with introductory speech of Prof. N. S. Pote. In the Introductory speech Prof. N. S. Pote shares information of students mentoring cell. He also explained Dr. Vikram Khaire is a renowned scientist working in Astrophysics. Later Dr. V. C. Thanage gives IQAC address to audience. In his address Dr. Thanage shares that we all are proud of Dr. Vikram khaire that He is giving marvelous contribution in research. After IQAC address Prof Dr. B. B. Bhosale address the audience, Dr. Bhosale told audience that after the covid-19 pandemic it was need of hour to organize such talk. He also told students to be attentive during program. Later on Dr. S. L. Aragade gives introduction of resource person. After that Dr. Vikram Khaire started his talk. Dr. Vikram Khaire divided his talk into two parts, in first part he gives “Introduction of Astrophysics” and in later half he explained “Career opportunities in Astrophysics”. In Introduction to Astrophysics talk Dr. Khaire started with our solar system. The planetary scales he explained was extraordinary, all the audience stunned by hearing such big numbers and calculations. One thing worthy to note here that Dr. Khaire told that it will took around 42000 years to reach our neighbor planet alpha century !. If we divide number of stars in universe by world population each one will get billions of stars that our natural lives will not be enough to count them. Dr. Khaire then explained briefly about our star sun, size of our sun is such big that around 1000 earths will fit into sun. Later on he explained about our neighbor planets, Milky Way galaxy, he told audience that some galaxies are so distant that light we observing today was emitted few thousands of years ago by these galaxies so basically we are watching at past. Then Dr. Khaire explained types of telescopes that used for sky observation in that He specially mention Hubble space telescope which is situated in space for observation. Then Dr. Khaire explained in detail about life cycle of stars, stars born in nebula and die as black hole of red giant. Later on He explained about solar system elements using periodic table. He told that Helium was discovered by taking spectral observations of sun. Dr. Vikram khaire ended his talk by showing his favorite picture that taken by Voyages satellite. The picture was the just one white dot on screen and that was our earth in this vast universe he explained that we are merely a tiny speck in this vast universe. In the later half Dr. Khaire explained about the Career opportunities in Astrophysics, He told that doing research,

teaching, software developer, data analyst etc. are bright career option. He also explained about various agencies that provide financial support to carry out research in India as well as abroad. In the last 15 minutes Dr. Khaire interacted with students. Dr. Khaire answered all the questions asked by students showing his expert and brilliance in the Astrophysics area of science. About 100 students from various science classes were actively participated in this program.

This Programme was anchored by Prof. N. S. Pote and vote of thanks was given by Dr. M. B. Khose.
