1. Does all programs/courses were completed on time.		Yes	
2. Measures taken to complete the syllabus of courses and programs.		<p>Following is the mechanism adopted to see that the syllabus of courses and program is completed in time. Every year IQAC takes review of academic calendar and academic planning and its implementation is reviewed by IQAC at the end of every semester. The College conducts meetings of all faculty members at the beginning of each semester and heads of the departments conduct meetings in their respective departments. The teaching learning strategies are chalked out in such meetings and various teaching methodologies are planned such as lecture method, participative learning, cooperative learning, inquiry based learning, experiential learning, role playing, group discussion film screening etc. Every teacher is asked to plan his lessons in teaching diary and meticulous teaching plan is prepared. Besides lecture method, teachers are encouraged to deliver curriculum with the help of technology. Computer and internet facility is made available to the teachers as well as students. Software packages are purchased if necessary, for learning, computer interface experiments, e-resources, online learning platforms, Smartboards, and virtual classrooms in their curriculum delivery. Library provides support to the curriculum delivery in the forms such as texts books, reference books, e-books, e-journal, membership of DELNET and INFLIBNET to the teachers and students.</p>
