Date: 22 /11 / 2019

To,
The Chairman,
Board of Curriculum Development,
K. J. Somaiya College, Kopargaon.

Subject: Regarding the permission for the certificate course in Financial Literacy

Respected Sir,

Considering the skilled based requirement of students of Economics department, we have designed 30 contact hrs Certificate course entitled "Financial Literacy". It is skilled based course to understand the basic concepts in banking and financial sector.

The certificate course is useful to the UG and PG special level students from Economics department. This is the basic knowledge course about banking and financial sector in the subject. We are quite sure about the success of this certificate course.

The required infrastructure is available in the department. The present faculty is ready to provide such knowledge and teach to the students about the banking and financial sector and its uses in the field of Economics.

So, I request you to please give me the permission to conduct the 30 contact hrs certificate course in the subject of Economics.

Thanking you

### **Syllabus**

### Department of Mathematics

Certificate Course: "Principles of Programming Language"

(Computer based Practical)
Syllabus: 2019-20

### **Objectives:**

- 1) The course is designed to provide principles of programming in C language.
- 2) Students will be able to develop logics which will help them to create programs, applications in C.
- 3) To provide exposure to problem solving through programming.
- 4) Also by learning the basic programming constructs they can easily switch over to any other language in future.
- 5) To study and implementation of numerical analysis to solve problems in Mathematics for which a quantitative theory already exists.

#### Proposal to BCD

# K. J. Somaiya College of Arts, Commerce & Science, Kopargaon. Department of Mathematics

Date: 03 / 07/2019

To,
The Chairman,
Board of Curriculum Development,
K. J. Somaiya College, Kopargaon.

Subject: Regarding the permission for the certificate course in Principles of Programming Language.

Respected Sir,

Considering the skilled based requirement of students of Mathematics department. We have designed 30 contact hrs Certificate course entitled "Principles of Programming Language". It is skilled based course to understand the basic concepts in programming.

The certificate course is useful to the UG level students from Mathematics department. This is the basic knowledge course about computer programming information. We are quite sure about the success of this certificate course and desirous to start this course at diploma level next year.

The required infrastructure is available in the department. The present faculty is ready to provide such knowledge and teach to the students about the programs and its uses in the field of Mathematics.

So, I request you to please give me the permission to conduct the 30 contact hrs certificate course in the subject of Mathematics.

Dept. of Mathematic

Thanking you

Your faithfully

Subject: Permission for the certificate course in Mathematics

Respected sir,

As per your application dated 03/07/2019. The members of BCD conducted a meeting and after thorough discussion we have decided to accept your proposal of certificate course 'Principles of Programming Language' in Mathematics. The Committee has permitted to Department of Mathematics for 30 contact hrs. certificate course 'Principles of Programming Language' under following conditions.

The Term and Condition are follows:

- 1. Syllabus to be completed in stipulated time.
- 2. The Admission fee applicable for per students is Rs.100 only.
- 3. Conduct Theory examination at the end of the course.
- 4. Minimum 15 admissions are permissible for conducting the course.

### Report

Name of the certificate course	Principles of programming language	
Date and Duration	12/12/2019 to 31/01/2020 30 Hours	
Name of faculty	Mr. S.R. Ukirde	
Traine of faculty	Mr. G.M. Kunjir	
Number of participants enrolled	16	
Venue	Department of Mathematics	

### Brief summary of activity/Event:

Department of Mathematics runs a certificate course "Principles of programming language". The objective of the course is to develop logics that will help students to create programs. It also aims to provide exposure to problem-solving through programming. Head of the department Dr. B.D. Gavhane inaugurated this course.

The course content is made available to students. The students learn about programming language and solve mathematical problems using programs. Students studied the implementation of numerical analysis to solve problems in Mathematics for which a quantitative theory already exists.

### The outcome of activity/Event:

- 1. Developed logic that helped students to create programs.
- 2. Students learned the basic programming constructs they can easily switch over to any other language in the future.
